

## Finchley Horticultural Society

# Nomination for Election to General Committee 2020

This is to invite you to serve on the Committee which runs the Finchley Horticultural Society and its allotment sites. It is part of a formal democratic process now operating under our new Constitution approved in October 2011. The Committee is the key mechanism by which we manage the Society according to the wishes and aspirations of our Members, in a responsible and sustainable manner, as we are self-managed. We urge anyone who has time and skills to contribute to put themselves forward.

You must be an FHS Member to be elected to its Committee. Nominations require a proposer who must also be an FHS Member. Existing Committee members may stand for re-election, but must complete a nomination form. There are currently 9 elected places on the General Committee.

Notice of the AGM, including names of those standing for election, will be sent to all Members at the beginning of March. The 2020 elections will take place at the Annual General Meeting on Tuesday **17th March 2020** (note for your diary).
